

Did Baylor Beat the Aggies? Chapter II

Back in 19xx three old Baylor graduates (Adam, Bill and Connie) got together to discuss old the upcoming game between the Baylor Bears and the Aggies. Each one made a prediction. We don't have any records as to what their predictions were, but here is the information we do have.

1. If Baylor won then Adam's prediction was right.
2. If Bill's prediction was wrong then the Aggies won.
3. If Connie's prediction was right then Bill's prediction was wrong.
4. If Adam's prediction was right then Connie's prediction was right.
