

CSI 5338
MWF 10:00-10:50

Advanced Computer Organization

Spring 2003
ECS 107

Instructor: Peter M. Maurer

Office: ECS 305f

Phone: 710-7305

Home: 741-6071 (discretion please)

Email: Peter_Maurer@Baylor.edu

Office Hours: 8:00 - 12:00 M-F except 9:30-11:00 TR, and 10:00-11:00 MWF.

Text: Computer Architecture, A Quantitative Approach, 3rd edition, Hennessy & Patterson

Course Topics:

- Pipelining Principles
- Price/performance
- Other fundamental issues
- Instruction-set design principles
- Instruction-level parallelism
- Memory hierarchy
- Multiprocessors and Multicomputers
- I/O Storage Systems
- Interconnection Networks

Exams:

- Test #1: Feb. 14 - 25%
- Test #2: Mar. 28 - 25%
- Test #3: Friday, May 9, 8:00-10:00 25%
- Term Paper: 25%
